

Ready Hacker One Web Service

CREATED BY: YI, ANDY, JOE, & CLAIRE

GITHUB: [HTTPS://GITHUB.COM/JOSEPHKNIEST/READY-HACKER-ONE-WEB-SERVICE](https://github.com/josephkniest/ready-hacker-one-web-service)

The Task:

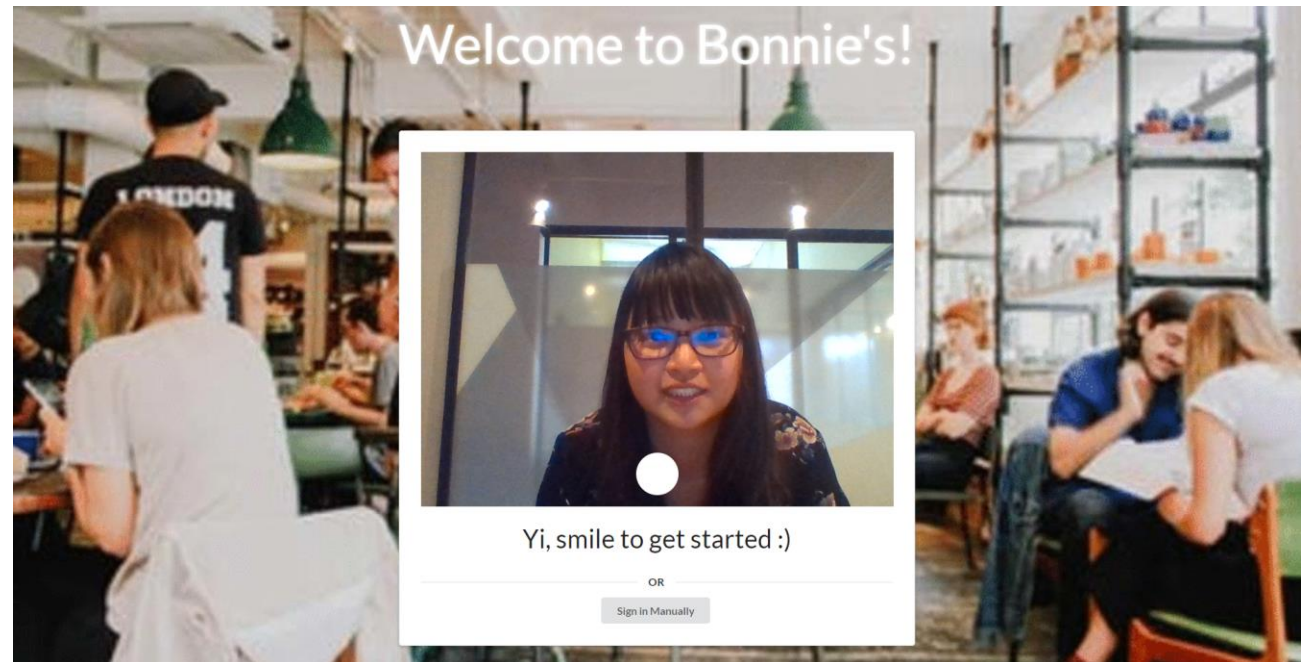

- Build an ordering system for Bonnie's Famous Vegan Diner in under 24 hours
- Meet all of the business requirements
- Simultaneous food service & world domination

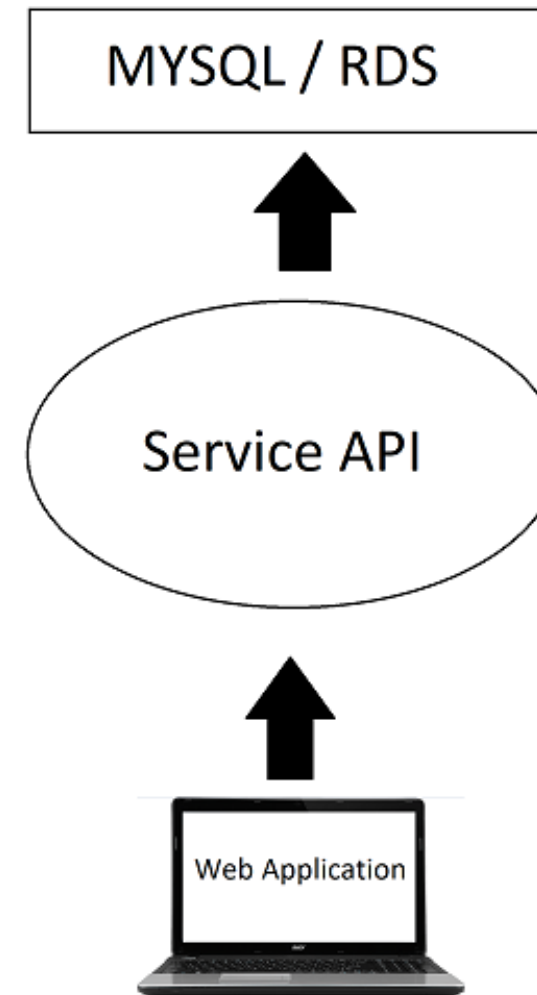

Built With:

- HTML
- CSS
- JavaScript (React for UI)
- MySQL
- NodeJS
- Express
- RDS/AWS
- Semantic UI

Demonstration:

Architecture

Future Improvements

- Facial Recognition
- Voice Login
- Machine Learning
- Email/SMS Service
- Delivery Tracker

Thank you for listening!
